

## If Wishes Were Kisses

Words by Mary Michelle Brown  
Music by Loren Jay Gough (c) 2014

In the morning when I wake up / and all throughout the day  
Thoughts of you consume me / and I think about the way  
Your smile makes me feel / and the way you look at me  
I have your love, I have it all  
And I know this love is real

CHORUS -

If wishes were kisses / then my wish would be  
That I'd have forever / when you're kissin' me  
Cause you're touch is healin' / and I've got a feeling  
When you take me by the hand, make me understand, you love me too  
Yeah, you've got me reeling / are you feelin' it too?

I remember when I caught your eye / seems not so long ago  
We were only kids back then / but I hope that you still know  
You're still in my dreams / and in every song I hear  
And for all the love I've found in you  
You're the best there is in me

CHORUS

If God would grant me just one wish  
I know what it would be  
I'd wish for us a lifetime baby  
Sittin' 'neath the kissin' tree

CHORUS
