

## It's Not Goodbye

Words and Music by Mary Michelle Brown, Loren Jay Gough, and William Thomas Landrith (c) 2013

I didn't mean to bring you sorrow  
I didn't mean to cause you pain  
I didn't mean to make your heart cry this way

I don't take our love for granted  
I don't love you just for show  
I didn't mean to make your heart cry this way

I need you to stay  
There's a hundred reasons why  
I need you to say  
It's not goodbye

Can we have tomorrow  
To see what lies ahead  
Let me turn your tears to laughter instead

You know there's times of trouble  
When we don't see things eye to eye  
Baby hold on 'til tomorrow  
Tell me you'll try

I need you to stay  
There's a hundred reasons why  
I need you to say  
It's not goodbye
