

Point of View

Words and Music by Mary Michelle Brown, Loren Jay Gough and Bill Landrith (c)2012

If I whisper how much you mean to me --- would you hear me?
If you close your eyes and I kiss your lips --- would you know me?
If I smile at you, give you all of me --- would you see me?
If I hold your hand when you cannot stand --- would you let me?

How can we be so close and yet so far away?
Tell me what to do to change your point of view

I need you
I want you
I love you --- I do

If I reach for you the way I want to --- would you feel me?
Your lips so close beckon me to you --- could I taste you?
It's intoxicating the way you are --- makes me want you
If I ask you to, would you stay with me --- would you love me?

How can we be so close and yet so far away?
Tell me what to do to change your point of view

I need you
I want you
I love you --- I do

(Guitar Solo)

I need you
I want you
I love you --- I do

Tell me what you see when you look at me
Tell me what you see when you look at me
